

BOATING RULES

The Association does adopt all State boating laws and such laws may be enforced by the Association or by any duly sworn law enforcement officer. Please see Section 6 and Section 11 in the Painted Hills Handbook for the complete listing of rules.

- Section 6.01** Members must be in good standing to be permitted to use lake facilities
- Section 6.02** Members shall register any boat used on the Lakes
- Section 6.05** All boats should be equipped with a Coast Guard approved life preserver for each person on board.
- Section 6.07** All boats must have proper lighting between sunset and sunrise.
- Section 6.10** No one under 16 years of age may operate a boat with a 25 horse power or greater unless accompanied by a person 18 years or older.
- Section 6.12** Boats should always operate in a counter clockwise direction around the lake.
- Section 6.13** All boats on Lake Holiday shall operate at idle speed during the period ½ hour before sunset until 9:00 am
All boats on Lake Nebo will operate at idle speed at all times.
- Section 6.15** When pulling a skier or tuber, stay 50 ft from shore and have a spotter at all times.
- Section 11** Guest privileges extend to those who are in the presence of a member. No guest shall be permitted to ride in, pilot, or water ski behind or fish from a boat unless in the presence of a member.
- Section 6.17** All boats configured to create an abnormal wake shall not be operated on Painted Hills lakes, and all boats must be on plane when pulling skiers or tubers.

LETS HAVE A SAFE & HAPPY BOATING SEASON
