**CEDAR CREEK
WINERY**

You will definitely want to circle this date on your calendars. Once again, along with our neighbors at Cedar Creek Winery, Painted Hills will be co-hosting the 2nd Annual 5/10k Walk/Run. 20% of the proceeds will benefit Relay for Life.

The 5k walk/run will go around Lake Nebo while the 10k will go around both Lake Nebo and Lake Holiday. Cedar Creek will be the hub for the event. Both races will begin and end at the Winery. All parking will be at the winery, as well.

If you are interested in participating in this event you can Pre-Register at www.fun-races.com/winerunseries. By using Coupon Code *PAINTEDHILLS*, you will save you \$5.00 off the entry fee.

You are encouraged to bring your friends, family, business associates and workout buddies to join you. Even if you don't plan on running/walking yourself, you might want to invite someone you know who enjoys this healthy type of exercise and the occasional glass of wine to join in.

This is a great opportunity for Painted Hills to show the rest of Central Indiana what a great community we are. If you do not plan on hopping into the mix yourself, it will be a great opportunity to have guests in for the afternoon to join you, set some chairs up along the route, and cheer on the participants.

Last year, 239 people participated in the event, the majority of which were from outside this area. The comments ranged from how hospitable we were to how beautiful Painted Hills is. And that event was run in August. An October race can only render them breathless (no pun intended).

Let's show them what "Hoosier Hospitality" is really all about.
