APPLICATION FOR CONSTRUCTION OF _____

I/We have read and understand all the building rules and regulations, Section 14 of the Painted Hills' Handbook, including changes in force but not yet published.

I/We understand that we may be required to add to or alter any building or structure not in compliance with the rules in force at the time of application if building start is delayed more than 90 days.

Omissions by the Architectural Committee during approval do not relieve owners from compliance with all rules.

I/We further agree to pay for the repair of any damage to the roads or any other Painted Hills property caused by myself or any contractor or workmen as a result of this construction.
