

Tina Thrasher-Bio for Painted Hills Board Position

I work from home for IU Health as an ICD 10 Coder, since 2000.

I am a member of our local Band, Camp Creek Players

I have two dogs and cat, Stephany and I Love Painted Hills

We moved into Panted Hills November 2012. I have been a board member since 2016 Chairperson of the Lakes committee. I have volunteered for several committees in our beautiful community, and have served as the Vice President since 2018.

I would love to continue to serve on the board and help wherever needed. I was previously on the Board of Directors for the Lake Lemon Conservancy District for 8 years. I helped with starting the dredging plan that is currently being successfully utilized today.

I hope you consider voting for me, so that we can all work together to keep our community Peaceful and Beautiful
